Short Description

Storehouse Specials are our occasional very limited releases which can be single cask offerings, cask strength versions or tests of new products that we're working on,

The current release is something we - and everyone else it seems! - are very excited about. It's a Port finished blended Whiskey with a very subtle Peated Malt component which highlights and enhances the Port, without overpowering it. We've been blown away by the reception it's had since we launched the first sellout batch for Belfast Whiskey Week with reviews such as "Truly spectacular" (Tom Molloy, Sunday Independent) and "Delicious" (Leslie Williams, Examiner) from the press and "I don't like Peat but I love this" from a number of online reviewers.

We're just releasing Batch 3 for Christmas - 400 hand numbered bottles of 350ml (half bottle size) at 46% ABV for €35 (plus €5 for delivery - Ireland only) Total €40 - PLEASE NOTE: ONLY AVAILABLE FOR SHIPMENT WITHIN IRELAND
