

## The Liberator Small Batch - Double Port Finish

**Product Code:** 1002

**Availability:** 2131

**Price: 50.00?€**

### Short Description

This is our recently released premium blended whiskey, which is light and elegant, whilst still having lots of character.

Premium because it has a high malt content of 42% (most blends have 5-15%) which contributes depth and complexity while retaining the approachability of a blended Whiskey. Initially matured in ex-Bourbon casks, the Whiskey was transferred into a selection of really fresh Tawny and Ruby Port casks for its final 9-12 months, which has imparted rich fruity notes.

The Malt Whiskey element comprises mostly 2015 Great Northern Distillery Single Malt with a small 2006 Single Malt component from Cooley Distillery. The Grain is, again, mostly 2015 Great Northern Distillery with a small 2010 Cooley Single Grain component. It was the younger Malt Whiskeys that were finished for 9-12 months in a selection of Tawny and Ruby Port casks and a portion of the younger Grain was finished in Ruby Port casks.

### Tasting Notes:

We say: Rich dried fruits on the nose. Blackcurrant, cloves, orange zest and pear drops and a creamy mouthfeel on the palate. A medium length finish with vanilla, almonds and some spice.

They say: "exuberantly fruity, full of juicy ripe blackcurrants and red cherries"  
John Wilson, Irish Times, September 2020 "A classy blend with red fruits, orange and malt loaf 90/100" Martin Moran, Sunday Times, September 2020

This is a batch of 3,000 numbered bottles (700ml) at 46% ABV.

RRP €50 (plus post & packaging - €5 within Ireland only)

### **Description**

Our new release is our Premium Blended Whiskey, with an unusually high (42%) content of Malt Whiskey (most blends have 5-15% Malt). The Malt component comprises Single Malts from Cooley (2006) and from Great Northern Distillery (2015); the Grain is from the same distilleries but dating from 2010 and 2015. All were initially matured in ex-Bourbon casks; the younger elements were finished in a variety of fresh Ruby and Tawny Port casks. This is a batch of 3,000 numbered bottles at 46% ABV and priced at €50.
