### Short Description

We've just had these rather cool limited edition Liberator branded sleeves produced.

We don't like the idea of a Gift Box which makes its way straight to landfill and we wanted to offer something that you can reuse all year round. So we commissioned these reusable sleeves to take your Liberator Whiskey bottle (or wine). Made from Neoprene (the same material as wet suits so they keep the contents at the same temperature), they are embroidered with The Liberator Irish Whiskey logo and make a perfect addition to that bottle of The Liberator that you're buying for your loved ones. (Please note: The inside colour may vary from blue to purple. The Liberator bottle is not included!)

Priced at €15 (plus €2 post and packaging)
